

# Soling 1 Meter

Both manufacturer's Kits are  
proudly Made in the USA

## Time to make the move?

Soling 1 Meter sailors all over North America are deciding to move on to the next generation of Solings. For some it's because they just think the "old boat" is getting tired; others are in clubs that are reinvigorating their Soling fleets.

For whatever reason: Look into the "new Solings!!
